Parent/Community Involvement

Shadow Ridge High School communicates with parents via six annual newsletters, quarterly student progress reports, Parent Advisory Council meetings, counselor newsletters, our computerized ParentLink system, and the Shadow Ridge High School website. This system enables parents to monitor their child's attendance, grades, homework assignments, transcripts, and graduation requirements. Consequently, parents at Shadow Ridge High School have the unique ability to continuously review their child's academic progress and intervene when necessary. In addition, 8th Grade Orientation Night, Open House, Freshman Barbeque, and Senior Awards Night activities allow for direct and meaningful two-way communication with parents and all members of the school/community. It is interesting to note that well over one thousand (1,000) parents attended each of these activities. This is a testament to the tremendous support our parents provide to Shadow Ridge High School.

Note: District totals do not include state or district sponsored charter school data.

The development of this annual school accountability report is a joint effort among the Nevada Department of Education, Otis Educational Systems, Inc., and Nevada school districts. This report is provided to the public as required by the federal No Child Left Behind Act and NRS 385.347. A comprehensive listing of all accountability data, including student test data, may be accessed on the Nevada Annual Reports of Accountability website at www.nevadareportcard.com.
